PROFILE

I am currently pursuing my bachelor's degree in computer science & engineering at Daffodil International University and I'm planning to develop myself day by day. Adept in customer support, office management, and preparing well-researched documents. I am skilled in time management, writing reports and thesis papers, team management, etc. Also experienced in creative writing, preparing meeting minutes bookkeeping & appointment management while meeting deadlines. And prepare to be full stack developer.

OBJECTIVE

To work with an organization where can learn new skills and increase my abilities for the organizational goals as well as myself.
